

March 10, 2014

Dear Fellow Consultant:

The Northeastern District (District 1) will conduct our Annual Meeting from May 14<sup>th</sup> through May 16<sup>th</sup> at Ocean Place Resort, in Long Branch, New Jersey. Not only is the meeting situated right on the world famous Jersey Shore, but we'll be offering numerous benefits to our registrants, including an opportunity to learn about cutting-edge technical projects, interact with colleagues, and enjoy good food and good company at the various planned social events. The Local Arrangements Committee has assembled a spectacular program including an opening night welcome reception on the Beach, a fully accredited technical program, the keynote luncheon, student poster session, bike tour, and a golf outing.

Consultants of District 1 sponsor the Annual Meeting each year by lending their financial support to defray some of the conference expenses. This keeps registration costs down so more members will be encouraged to attend.

We are asking each Consultant interested in sponsoring the conference to show generosity with a contribution based on the levels attached. At this time, we are requesting you advise us of your intention to sponsor the event and what level you will be supporting. Please complete the attached form and return to me by **March 21, 2014**. Your payment and company graphic can follow at a later date (see form).

Please join me in supporting this exciting professional event. The Local Arrangement Committee is working diligently to ensure this is a fantastic meeting for all. Thank you for your generosity and I hope to see you in Long Branch.

Sincerely,

**John P. Miller, P.E., PP**
